# SUBARU and Its Vicinity

The Forest Lodge SUBARU is situated in the town of Teshikaga in eastern Hokkaido. Akan National Park is located mostly in this town. We have many beautiful spots in this area: Tributaries of the Kushiro River, Lake Mashu, Lake Kussharo, and Sulfer Mountain (Iou Zan).

道東弟子屈町は阿寒国立公園の一部に含まれ、摩周湖、屈斜路湖、硫黄山と名所多し。

Lake Kussharo: 30 minutes' drive from the lodge  
A great view of the lake can be enjoyed from the top of Bihoro Peak.

Lake Kussharo with its pristine water is most suitable for canoeing, sailing, and fishing. Tributaries of the Kushiro River running through the largest wetland in Japan are a Mecca for keen canoeists.

## OUR POLICY

The lodge was opened in the spring of 2009, but we had fallen in love with the forests and lakes in this area long before. We should very much like to show you some of the things which make this place so special.

Lake Mashu enjoys the highest transparency of water in Japan. There many foggy days here, but if you are lucky enough to see it on a clear day, you will be captivated by its mystical blue water.

摩周湖の透明度は世界規模。しかし霧に隠れる日が多く、見れば神秘の摩周ブルーが！
